WAIVER OF LIABILITY

I acknowledge that my participation in the Race for Life '09 run is voluntary and that I am in a good state of health and capable of finishing the race I joined. I am aware of all the basic safety rules and all the inherent dangers of joining a race especially since it is done on rugged terrain. I voluntarily release, discharge, waive, and relinquish any and all causes of action that I and/or my heirs, executors, administrators, and assigns may have for any personal injury, property damage, or wrongful death which may result due to my participation, regardless of whether the same shall arise due to negligence of the organizers of the race. I understand that organizers of Race for Life '09 may provide advice/and or assistance that I can follow at my own risk. I have read and fully understand the rules and regulation of the race, including the rules that the organizers of the race shall have the final decision on all matters, including but not limited to disqualifications, falls, contacts with other participants, declaration of winners, cancellation of the race due to the weather, temperature, humidity, traffic, and other conditions, and agree to abide by said rules. I authorize the organizers and/or sponsors of the race to use any photographs, video, for television or print media without monetary consideration for any legitimate purpose.
